Dear Sir:

RESPONSE TO THE NOTICE TO FILE MISSING PARTS

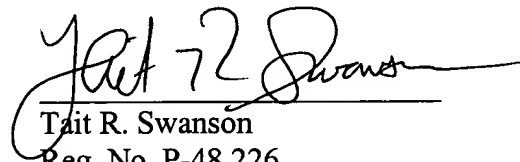

In Response to the enclosed Notice to File Missing Parts of Nonprovisional Application mailed on May 18, 2001, Applicant respectfully stresses that the above referenced Patent Application was properly filed on December 22, 2000 with the oath/declaration and appropriate fees. Apparently, the Patent Office has erroneously mixed or confused the above referenced Application with another Application filed on December 22, 2000. In particular, it appears that certain information relating to the above referenced Application was confused with details of co-pending application Serial No. 09/747,041 filed on December 22, 2000.

Applicant respectfully requests that the Office carefully examine the documents as originally filed and, upon confirmation that the documents and fees were correct, alter the appropriate information in the Office files to reflect the status of the claims and the correct inventor designations.

Because the errors are not due to any error by Applicant, no fee is believed to be due in connection with the filing of this document. However, should any fee be deemed necessary for any reason relating to this document, the Commissioner is hereby authorized to deduct said fee from Deposit Account No. 07-0845; Order No. GEMS:0123/YOD (15-EC-5764).

Date: July 17, 2001

Respectfully submitted,
